 @LinhofStudio

The **LinhofStudio** are the UK importer and specialist retailer of Large Format Digital and Analogue solutions. Our Lee filters stock includes the complete range of 100 series as well as the Seven5 series and SW150. We also have special Lee filters items made exclusively for the Linhof Studio only usually available as special order items. We pride ourselves on our reputation for knowledge and service to assist photographers to make the right decisions around their equipment needs.

We are pleased to have been asked by Alan ranger to offer Kit Solutions for Lee Filters. These kits have been requested by Alan Ranger personally to meet your requirements. They offer excellent savings over the recommended retail prices and are shipped out carriage free within 24 hours.

If you would rather make up your own kit or purchase individual items you will receive a 10% discount on orders over £60 inc vat. Please quote **RANGER2016** at the time of purchase
