# Masterclasses

## *Photography Masterclass Series*

These photography classes are bite-sized lessons on specific topics. They range between two and three hours and run on an ongoing cycle. Classes are generally held at my home in Coventry.

They suitable for any level of photographer but please feel free to phone me if you want to check on suitability

These are the perfect refresher class and are also suitable for anyone who has already attended a photography course with myself as each class contains new material and we are able to get more in-depth on specific topics and brush up on your areas of understanding.

Each class is approximate 2.5hrs and runs on a weekday evening on a rolling basis.

1. [Get off Automatic Mode](#) - Exposure Explained
2. [Creative Composition](#) - Develop your creative eye and understanding
3. [DSLR Craft](#) - Get to grips with Metering, Focusing, White Balance and more
4. [Filters & Bracketing](#) - Understand Dynamic Range and RAW Vs JPG
5. [Getting started with Adobe Lightroom](#) an introduction and basic walkthrough
6. [Portrait Photography](#) - Learn how to take better portrait photos
7. [Black & White Photography](#) - Understand the visual building blocks of mono
8. [Landscape Photography](#) - Art of the landscape - a visual guide
9. [Macro - Close-up Photography](#) - Theory and practical workshop
10. [Image sharing](#) - final refinement, exporting, sizing, framing and uploading/selling
11. [How to get organised and stay organised](#) in Lightroom
12. [Creative editing](#) - An introduction and masterclass in NIK plug-ins suite
13. [How to choose and setup up your DSLR](#) and use it effectively

14. [Camera and kit care](#) - a complete walkthrough and best practise advice
15. [Photo Critiques](#) - Bring your photos for Alan to review and critique.

Classes can be booked individually or book a block to receive a discount. Dates can be arranged to suit so no need to take classes consecutively when booking a block.

You can also book photo critique nights to follow up an earlier masterclass and share your photos with Alan for feedback and critique.

## **Benefits**

This course is aimed at beginners and intermediate level photographers
